(GREAT FALLS, MT – November 13, 2024) The **Station District Bar & Eatery**, a one-of-a-kind culinary destination for Great Falls residents and visitors, will feature distinct dining experiences: **Yama - Asian Kitchen**, an Asian-fusion concept with an accent on Thai cuisine; **Barrio Cantina**, serving authentic Mexican cuisine; **Cascata**, featuring Italian entrees and **Big Sky Grill**, offering classic American fare with a nod to Montana products such as Willo Ranch Wagyu from Cascade, MT. Also to be included is a café with a variety of coffee and espresso beverages.

The Station District Bar & Eatery is set to open this winter in The Station District, with a picturesque view of the Missouri River. This unique concept spans two floors, offering an elaborate food service operation with a spacious bar and both indoor and outdoor seating. The second-floor event space is the perfect location for corporate meetings, private events and holiday parties. The outdoor patio features views of the Missouri and can comfortably accommodate up to 100 guests.

To bring this vision to life, **Big Sky Select Properties** selected **OVG Hospitality**, the food and beverage division of [Oak View Group](#), to create and define the dining and hospitality experiences, including programming.

“In order for us to achieve our full vision of this spectacular space, we selected OVG Hospitality, a leader in providing incredible guest experiences, to be our exclusive food and beverage provider to create, define and establish exciting food and beverage concepts,” said **Tyson Holzheimer**,

Big Sky Select Properties. “Our goal is to not only serve delicious food with a variety of options but also a shared dining experience. We believe there is something for everyone.”

“We are excited to partner with Big Sky Select Properties in this first-of-its-kind concept to wow guests, as well as residents, with a neighborhood-type feeling and offer them a fantastic dining experience with a number of incredible offerings from several different dining concepts,” said **Ken Gaber, President, OVG Hospitality.**

OVG Hospitality is committed to using Montana products, supporting local businesses, and featuring local Montana breweries on many of its bar taps.

About Oak View Group

Oak View Group (OVG) is the global leader in live experience venue development, management, premium hospitality services, and 360-degree solutions for a collection of world-class owned venues and a client roster of arenas, stadiums, convention centers, music festivals, performing arts centers, and cultural institutions.
